Improving Access to the Nation's Archive

User Studies at the National Archives and Records Administration

PAUL CONWAY

archives & museum informatics

Pittsburgh, 1994

Table of Contents

Preface / i

Chapter 1: Origins and Outcomes / 1

Chapter 2: Methodological Considerations / 15

Chapter 3: The July 1991 Draft Report / 43

* Introduction /49

* Understanding Users and Use /50

* The National Archives Context / 54

* Summary of Research Methodology / 59

* Major Findings / 62

Who Uses the National Archives / 62

Purpose of Research Visit / 64

Discovering the National Archives / 66

Advance Contact and Previous Experience / 68

Research Questions / 70

The Research Process / 73

Orientation / 73

Search and Retrieval / 75

Application / 79

* Toward Enhanced Access to the Nation's Archives / 82

*** List of Figures**

Figure 1: Research Purposes / 51

Figure 2: Gatekeeper Approach / 53

Figure 3: Partnership Approach / 83

*** List of Tables**

Table 1: Research Visits During Study Weeks / 63

Table 2: Purpose of Research Visit / 64

Table 3: Discovering the National Archives / 67

Table 4: Advance Contact and Previous Experience / 70

Table 5: Research Question Elements / 72

Table 6: Intended Use of Resources by Media / 74

Table 7: Use of Photocopying Services / 76

Table 8: Familiarity with Computers / 78

Table 9: Success in Finding Relevant Information / 81

Chapter 4: Appendices to the Draft Report / 89

Appendix 1: Initial Consultation and Referral / 91

Appendix 2: Using the Microfilm Research Room / 103

Appendix 3: Using Textual Records in the National Archives / 111

Appendix 4: Special Archives Research Rooms / 122

Appendix 5: Telephone Inquiry Log / 132

Appendix 6: Reference Correspondence Analysis / 137

Appendix 7: Reference Interviews / 146

Bibliography / 151
